

2011 CNASA Volleyball Guideline (Time: 5/21/2011)

We have two divisions and there are 3 teams in division A and 4 teams in division B.

Division A
Flying Porcupines
MasSpike
MIT CSSA

Division B
Karma
Harmony1
Harmony2
Sharon

Tournament format

- 1 – The tournament will have two rounds, in first round two divisions will play together in round-robin.
- 2 - The teams in two divisions will calculate ranking separately and will have their own trophies.
- 3 - The second round for division A will be: #2 plays #3 and then the winner plays #1 for the champion, the loser will receive a third place trophy.
- 4 - Second round for division B will be: #1 vs. #4, #2 vs. #3. Winners will play championship game and losers will play for third.
- 5 - In first round, each match consists of two games (17 points a game). No third game if there is a tie.
- 6 - In second round, each match will be the best of 3 and the first two games will be 21 points and if there is a tie, a third game will be played (15 points).

- 7 - The division rank will be decided by
- 1) win/loss in the team's own division,
 - 2) overall win/loss,
 - 3) head to head record,
 - 4) net games a team wins in their own division,
 - 5) net games a team wins overall
 - 6) net points a team wins in their own division
 - 7) net points a team wins overall.
